STREET BOSS®

USER GUIDE

INITIAL ASSEMBLY

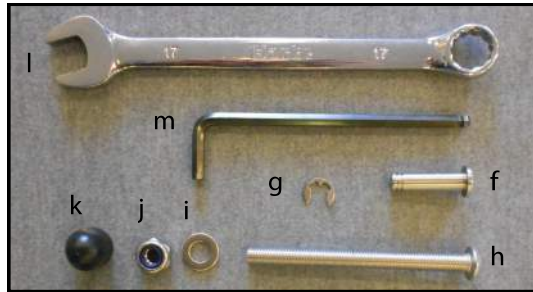

BOX CONTENTS

- a) Chassis
- b) Handle
- c) Wheels
- d) Fixings Kit
- e) Handi Hoops x2

FIXINGS KIT

- f) Pin
- g) Pin clip
- h) 2 x M10 bolts
- i) 2 x M10 washers
- j) 2 x M10 nuts
- k) 2 x M10 nut caps
- l) Spanner
- m) Allen key

TOOLS USED: Allen Key + Spanner

TIME TO ASSEMBLE: 15 minutes

HANDLE ATTACHMENT

Push the handle onto the chassis and line up the holes. Insert the pin and secure the handle to the frame using the push clip.

WHEEL ATTACHMENT

Using the bolt, washer, nut and nut cap, connect each wheel to the frame.

Working from the outside of the frame; thread the wheel onto the bolt, then push the end of the bolt through the frame boss. Next, thread it through the fabric panel, adding the washer and finally the nut.

Holding the spanner; tighten the bolt with the Allen key, ensuring the fabric is not snagged or gathered. Finally add the nut cap.

From the outside of the unit, the order of components are:

Bolt / Wheel / Frame / Fabric panel / Washer / Nut / Nut cap

ACCESSORY TOOLS

- **Sharps Cup**
- **Streetmaster**
- **Curved Ranger**
- **Litterpicker**
- **Dustpan + Brush**
- **Shovel**
